

Town of Acton

Departmental Plan Review Comments

Application Number: 1396

Project/Activity: SPECIAL PERMIT - MISC

Department 1: ENGINEERING

Department 1 Reviewer: QINRUI PANG

Department 1 Status: APPROVED WITH CONDITIONS

Applicant has not addressed the sidewalk requirement for special permits. The Town is constructing a sidewalk along Willow Street and along Central Street on both sides of this property. It would be beneficial to the Town for the applicant to consider a sidewalk connection at this property to complete the connection.

PLEASE SEE ATTACHED DOCUMENT

The proposed building is within 100 year flood zone.

The proposed building is within 100 year flood zone.
